OPERATIONS

The total revenue from operations recorded for the financial year ended 31st March 2017 (12 months) was Rs. 37,270 lacs as compared to Rs. Rs.23,940 lacs in the nine months period ended 31st March, 2016. The Sewing Machines and related accessories business at Rs 29,136 lacs accounted for 78 % (previous period 86 %) of the total revenue and the balance Rs 8,134 lacs came from the Domestic Appliances business which accounted for 22 % (previous period 14%) of the total revenue. Both these business verticals increased over the prior year and have sequentially grown in the

last six years ever since your Company had re-launched home appliances division. The increase in contribution of home appliances business to the total business is in line with the Company's strategy to grow this business as a lot of potential exists in this segment. The export business of sewing machines at Rs. 850 lacs accounted for 2.3 % of the total revenue of the Company and also increased significantly during the year under reporting.

The growth momentum was temporarily impacted to some extent with the demonetization of some the denominations of the currency in November 2016 particularly in the sewing machines segment where

DIRECTORS' REPORT

sales remained under pressure for a while in certain regions. The Company responded quickly to educate our business partners to switch over to digital payments methods to revive the business.

The Company is continuing to strengthen its distribution as also to revamp its product range to increase its market share in both the product segments. Enhancing Customers delight has been a top priority of your Company in the recent past years. The after sales service set up has sufficiently been geared up to enhance the customers' satisfaction and work will remain in progress for improving this further simultaneously working on product quality up-gradation. The alternate channels like e-commerce and modern retail are simultaneously being focused to improve the visibility of our brand and presence. Many new products like increased range of air coolers and water heaters/ room heaters and electric fans were added to the product range in the home appliances during the year under reporting. Many more product offerings like micro wave ovens, items for personal grooming and other products in the Kitchen appliances segment are in offering to enhance the product portfolio in the home appliances segment.

The profit before tax and after tax for financial year ended 31st March 2017 amounted to Rs. 1201.23 lacs (Rs. 887.57 lacs in the previous period of nine months) and Rs.805.58 lacs (Rs. 598.41 lacs in the previous period of nine months) respectively. The home appliances division reduced its losses (before allocation of common expenses) from Rs. 182.34 Lacs in the period of 9 months ended 31st March 2016 to Rs.165.42 Lacs in the year under reporting.

Rajeev Bajaj**Managing Director****MANAGEMENT DISCUSSION AND ANALYSIS REPORT****Industry Structure and Development**

The Sewing Machines and Domestic Appliances industry in India continues to be dominated by the SMEs. Both these industries have steadily grown over the past many years. The sewing machines market in India is skewing more towards semi-urban and rural areas and offers a lot of aspiration values to people living in these areas . The Sewing Machine is still considered amongst others a useful product for skill development and welfare schemes under various schemes designed by the Central/State Governments. The Zig Zag and Electronic Sewing machines offer higher potential for growth in the urban markets and also serve as the replacement market for the conventional sewing machines. Further the industrial sewing machine segment is also expected to grow in line with the economic growth projected in future . The upgradation to high end artisan sewing machines is also being witnessed even with the household customers.

The home appliances market in India is poised for a major growth in future with higher consumer income levels and raise in aspirations for a better lifestyle amongst consumers and with the GST (Goods and Services Tax) implementation, it is further expected that the share of branded products will go up with the quality products offerings at the competitive prices. The push in rural demand is likely to grow this industry a lot and this industry is also poised to offer many new cost effective products to increase the comfort levels for the consumers.

Outlook & Opportunities

Your Company will drive towards increasing its market share both in sewing machines and home appliances in the GST regime as the Company expects to gain share from the unorganized market. The Company will augment its reach to the consumers by connecting with the customers, retailers and dealers in a more effective and fruitful manner. The Company is focusing on improving its brand through digital marketing. Shop in shop concept has been implemented in large retail format stores to better connect to people besides expanding the conventional stores . The Product range is being widened to offer choice to the customers.

DIRECTORS' REPORT

Threats, Risks & Concerns

The Company had identified the following Risk areas.

1. Low growth of sewing machines market
2. Strong competition in all business segments
3. Lower margins in view of intense competition
4. Sourcing
5. Fluctuation in Foreign Exchange Rates

The Board of Directors of the Company and the Audit Committee of Directors will periodically review the risk management policy of the Company so that the risks are mitigated properly.

Segment-wise Performance

Sewing Machines Business

The Company's core business remains the sewing machines. Efforts would be directed to increase penetration in rural markets with specific models as the market requires. The penetration in urban markets will also be intensified.

The Zig Zag range which offers many features more than just sewing to the consumer to operate on mechanical, electronic and computerized machines will be expanded with reaching out to the target customers through digital marketing. Many new models in other sewing machines are also being developed to offer to specific channels.

Domestic Appliances

While the sewing machines business will be protected and expanded, the driver for growth in future will be the Domestic Appliances business. The segment results are given in the Note 47.

The Company's priority to make this segment profitable on stand alone basis and for this purpose the Company has taken its task to expand its turnover by strengthening the product range, distribution and after sales service.

The Company has a wide range of kitchen and home comfort small appliances and the period under review the Company also had successfully expanded its sale of air-coolers and had also introduced the heating range including the water heaters. The Company also introduced Fans during the year under review.

Internal Control Systems and Adequacy

The Company has adequate systems of internal controls for operations, optimum utilization of resources, effective monitoring and compliance with all applicable Rules. The internal control system commensurate with the size and its nature of operations.

Auditors' Certificate on compliance with the condition of Corporate Governance

To
The Members of **Singer India Limited**

We have examined the compliance of conditions of Corporate Governance by **Singer India Limited** ("the company") for the year ended on 31st March, 2017, as per Regulations 17 to 27, clauses (b) to (i) of Regulation 46 (2) and paragraphs C,D and E of Schedule V of the Securities and Exchange Broad of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to a review of the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) issued by Institute of Chartered Accountants of India. The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control of Firms that perform Audits and reviews of historical financial information, and other assurance and relation services engagements.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as specified in Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and paragraphs C, D and E of Schedule V of the Listing Regulations, as applicable.

We state that such compliance is neither an assurance as to the future viability of the Company nor as to the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restrictions on use

This certificate is issued solely for the purpose of complying with the aforesaid Regulations and may not be suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT

To the Members of Singer India Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Singer India Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017 and its profit and its cash flows for the year ended on that date.

INDEPENDENT AUDITORS' REPORT

Annexure-B to the Auditors' Report of Singer India Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Singer India Limited** ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide

INDEPENDENT AUDITORS' REPORT

reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE ACCOUNTS

1. Corporate Information

Singer India Limited ('the Company') is a Public Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is engaged in the business of trading / manufacturing of sewing products and also conducts trading in domestic appliances.

2. Significant Accounting Policies

(a) Basis of Preparation

The financial statements of the Company have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all respects with the accounting standards {Companies (Accounting Standard) Rules 2006, as amended by Ministry of Corporate Affairs vide notification no. G.S.R 364 (E) dated 30.03.2016 made applicable to accounting periods commencing on or after the date of publication of the notification} notified under section 133 of the Companies Act 2013 ('the Act'), read together with paragraph 7 of the Companies (Accounts) Rules 2014 and provisions of the Act. The financial statements have been prepared on an accrual basis and under the historical cost convention except for certain block of Fixed Assets which are carried at revalued amounts and ongoing concern basis.

(b) Use of Estimates

The preparation of the Financial Statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reporting balances of assets and liabilities and disclosures relating to contingent liabilities as at the date of the financial statements and reporting amounts of income and expenditure during the year. Contingencies are recorded when it is probable that a liability will be incurred, and the amount can be reasonably estimated. Actual results could differ from such estimates. Any revision to accounting estimates is recognized in the period the same is determined.

(c) Fixed Assets (Tangible & Intangible – Property, Plant & Equipment)

Tangible Fixed Assets are stated at cost (or revalued amount of certain block of assets as the case may be), less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price / cost of acquisition including taxes, duties, freight and other incidental expenses related to acquisition, construction and installation to bring the asset to its working condition for its intended use. In case of revaluation of fixed assets, the original cost as written up by the valuer, is considered in the accounts and the differential amount is transferred to revaluation reserve. Borrowing costs that are directly attributable to acquisition, construction or production of a qualifying asset are capitalized.

Intangible fixed assets are stated at cost less accumulated amortization and net of impairments, if any. An intangible asset is recognized if it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and its cost can be measured reliably. Intangible assets having finite useful lives are amortized on straight line basis over their estimated useful lives.

(d) Impairment of Assets

Regular review is done to determine whether there is any indication for impairment in carrying amount of the Company's fixed assets. If any indication exists, an assets recoverable amount is estimated based on internal / external factors. An impairment loss is recognized if the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

(e) Investments

Long term investments are stated at cost. Provision for diminution in value, other than temporary, is made in the accounts. Earnings on investments are accounted for when the right to receive payment is established.

NOTES TO THE ACCOUNTS

(f) Inventories

Raw materials are valued at Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on a First in First out basis.

Work-in-progress and finished goods are valued at Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty. Cost is determined on a First in First Out basis.

Traded goods are valued at Lower of cost and net realizable value. Cost includes cost of purchase and other costs incurred in bringing the inventories to their present location and condition. Cost is determined on a First in First out basis.

Goods in transit are valued at cost

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion to make the sale.

(g) Warranties & Returns

Product warranty and return costs are determined using reasonable estimates based on costs incurred in the past and are provided for in the year sale is made. These includes free replacements, breakages, returns etc. in respect of sewing machines and domestic appliances.

(h) Excise Duty

Excise duty is accounted for at the point of manufacture of goods and accordingly, is considered for valuation of finished goods stock lying in the factory and branches and as on the Balance Sheet date.

(i) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. Revenue from sale of goods including traded and manufactured products is recognized upon

passage of title to the customers, in accordance with the Sale of Goods Act, 1930. The Company collects Sales taxes / Value added Taxes (VAT) on behalf of the Government and, therefore, these are not economic benefits flowing to the Company. Hence they are excluded from Revenue. Interest income is recognized on time proportionate basis taking into account the amount outstanding and the rate applicable and is stated at gross. Export incentives are accounted on accrual basis.

(j) Depreciation / Amortization

i) Tangible Assets

- a) Depreciation on the tangible fixed assets is provided on straight line method based on the useful life of the assets as estimated by the management. The estimate of the useful life of the assets has been assessed based on internal evaluation/ technical advice which considered the nature of the asset, expected physical wear and tear, the operating conditions of the asset etc., The useful lives of following assets; furniture & fittings, plant and machinery and office equipment, are depreciated over estimated useful lives of 5 years, 4 – 15 years & 2-5 years respectively which are lower than those indicated in Schedule II. The Company has used the following lives to provide depreciation on its fixed assets (except building as mentioned in para (b) below):

Particulars	Useful economic life (in Years)
Plant & Machinery	4 to 15
Office Equipment	2 to 5
Furniture & Fixtures	5
Computers	3
Leasehold improvements	3

- b) The buildings are depreciated equally over the balance useful life ascertained by independent technical expert, which ranges between 41 years and 52 years as on 1st July, 2014 after considering the structural condition etc. The management believes that the balance useful lives so assessed best represent the periods over which the buildings are expected to be in

NOTES TO THE ACCOUNTS

use.

- c) Leasehold land is amortized over the lease period.
- d) In case of leasehold land and building which are revalued, the additional depreciation on the increased value of the assets due to revaluation is debited to Statement of Profit & Loss and equivalent amount is transferred from Revaluation Reserve to General Reserve.
- e) Depreciation on fixed assets added/disposed off during the year is provided on pro-rata basis with reference to the month of addition/disposal.
- f) In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

ii) Intangible Assets

Computer software is amortized over a period of 3-5 years on the straight line method.

(k) Lease

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit & Loss on a straight-line basis over the lease term.

(l) Foreign currency transactions

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Foreign currency monetary items are reported using the closing rate. Non-monetary items, which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognised as income or as expenses in the year in which they arise.

(m) Employees Benefits

Short Term Employee Benefit is recognized as an expense in the Statement of Profit and Loss of the year in which related service is rendered. Post employment and other Long Term Employee Benefits are provided in the Accounts in the following manner:

- i) Gratuity: Maintained as a defined benefit retirement plan and contribution is made to the Life Insurance Corporation of India, as per the Company's Scheme. Provision / write back, if any is made on the basis of the present value of the liability as at the Balance Sheet date determined by actuarial valuation following projected Unit Credit Method and is treated as liability.
- ii) Leave Encashment: As per independent actuarial valuation as at the Balance Sheet date following projected Unit Credit Method in accordance with the requirements of Accounting Standard AS-15 on 'Employee Benefit' is included in provisions.
- iii) Provident Fund: Liability on account of Provident Fund (Pension) for employees is a defined contribution wherever contributions are made to a fund administered by Government Provident Fund Authority.

For employees, Provident Fund administered by a Recognized Trust, is a Defined Benefit Plan (DBP) wherein the employee and the Company make monthly contributions. Pending the issuance of Guidance Note from the Actuarial Society of India, actuarial valuation is not carried out and the Company provides for required liability at year end, in respect of the shortfall, if any, upon confirmation from the Trustees of such fund.

(n) Research and development

Research and development expenses of revenue nature are charged to the Statement of Profit & Loss in the year in which they are incurred.

(o) Government grants / Incentives

Grants that the Company is entitled to unconditionally on fulfilment of certain conditions, such grants are recognized as Income when there is reasonable assurance that the grant will be received.

NOTES TO THE ACCOUNTS

(p) Taxes on Income

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961. Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets are recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes down the carrying amount of the deferred tax assets to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonable certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Minimum Alternate Tax (MAT) is accounted for in accordance with tax laws which give rise to future economic benefits in the form of tax credits against which future income tax liability is adjusted and is recognized as an asset in the Balance Sheet.

(q) Provisions, Contingent Liabilities & Contingent Assets

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions

made in terms of Accounting Standard-29, are not discounted to its present value and are determined based on the management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. The company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognized in the financial statements.

(r) Dividend

Dividend to holders of equity instruments is recognized as liability in the period on which obligation to pay is established. Under the previous GAAP, dividend payable was recognized as a liability in the period to which it relates. Interim dividend is recognized as a liability on the date of declaration by the Company's Board of Directors.

(s) Earnings per share

Earning per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

(t) Events after the Balance Sheet date

Events occurring after the date of the Balance Sheet which affect the financial position to a material extent are taken into cognizance.

(u) Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and fixed deposits with maturity of three months or less.

- iv) Gratuity expenses and Leave Encashment have been recognized under the head "Employees Benefit Expense".

- v) The disclosures included above are limited to the extent provided by the actuary.

- 35.1** The Company follows the revaluation models for Leasehold Land and Building. For other assets cost model has been adopted.
- 35.2** The Company had appointed a Government Registered approved valuer to assess the fair market value of Leasehold Land and Building at Jammu and accordingly revalued the book value of Leasehold Land and Building as at 30th June 2013. This resulted in increase in value of Leasehold Land and Building by Rs. 619.06 lacs and Rs. 316.51 lacs respectively and creation of Revaluation Reserve aggregating to Rs. 935.57 lacs in 2013.
- 35.3** In order to Comply with the Accounting Standard (AS) 10 "Property, Plant & Equipment", the Company has got its Leasehold Land and Building again valued by an approved valuer to assess the fair market value as at 31st March, 2017. The significant assumption applied by the valuer for estimating the fair value were viz prevailing market rate, local inquiries, SIDCO rate, situation and condition etc. This has resulted in increased

NOTES TO THE ACCOUNTS

in value of Leasehold Land and Building by an additional amount of Rs.81.36 lacs and 60.66 lacs respectively and creation of further Revaluation Reserve by Rs.142.02 lacs as at 31st March, 2017.
